TANGIBLE PERSONAL PROPERTY TAX RETURN GENERAL INSTRUCTIONS

Complete this Personal Property Tax return in accordance with the instructions provided herein as your declaration of personal property situated in this county. If any schedule has insufficient space, attach a separate sheet. Please print or type except for signature.

WHAT TO REPORT ON THIS RETURN:

- 1.) Tangible Personal Property - Include all goods, chattels, and other articles of value (but not certain vehicles) capable of manual possession and whose chief value is intrinsic to the article itself. More specifically, all furniture, fixtures, equipment and supplies used in your business or rental property.
- 2.) Items of inventory held for lease to customers in the ordinary course of business, rather than for sale, shall be deemed inventory only prior to the initial lease of such items and **MUST** be reported after their initial lease or rental as equipment and/or furniture or fixtures.
- 3.) **ALL FULLY DEPRECIATED, ADJUSTED, OR EXPENSED ASSETS MUST BE REPORTED AT TOTAL ORIGINAL COST WHETHER WRITTEN OFF OR NOT.**
- 4.) Property personally owned, but used in the business must be reported.

DO NOT INCLUDE:

- 1.) Intangible Personal Property - that is, money, all evidence of debt owed to the taxpayer, all evidence of ownership in a corporation, etc...
- 2.) Household Goods such as wearing apparel, appliances, furniture, and other items ordinarily found in the home and used for the comfort of the owner and his family, and not used for commercial purposes. (EXCEPTION: Hotel, Motel & Apartment Buildings)
- 3.) Automobiles, Trucks, and Other Licensed Vehicles - These are not taxable as personal property. (EXCEPTION: The equipment, on certain vehicles, is taxable as personal property and must be reported. Examples include power cranes, air compressors, and other equipment designed as a tool rather than primarily as a hauling vehicle.)
- 4.) Inventory - Those chattels consisting of items commonly referred to as goods, wares, and merchandise which are held for sale or lease to customers in the ordinary course of business.

VALUATION OF PERSONAL PROPERTY:

All property located in this county as of January 1 must be reported at 100% of the total original cost. **Include transportation, handling, sales tax, freight and installation charges.** Report the total cost of all assets.

ADJUSTMENTS TO VALUES - TAXPAYER'S ESTIMATE OF FAIR MARKET VALUE:

Enter only UNADJUSTED figures in areas calling for Total Original Cost. An adjustment is a variation from purchase price paid. Adjusted figures **MUST** be explained on the asset schedule. Such schedules are considered part of the return. Florida Statute 195.027(4)(a) 5&6 requires the taxpayer provide an estimate of the condition, including functional and economic depreciation or obsolescence and the taxpayer's estimate of the fair market value of the property.

IMPORTANT – Submit all documentation and/or appraisals in support of your taxpayer's estimate of fair market value prior to May 15th for consideration by this office. Failure to comply with this written request may prevent consideration in future administrative or judicial hearings. Ref: Higgs v Good 813 So. 2d 178(FLA 3D DCA 2002)

LOCATION OF PERSONAL PROPERTY:

A SEPARATE personal property return must be filed for each location in the county. Additional forms will be mailed on request; contact the county property appraiser's office.

Owners of vending machines, LP/Propane tanks and similar property at many locations may submit a single schedule listing all locations in lieu of individual tax returns.

SPECIFIC INSTRUCTIONS

In the appropriate schedule list the Total Original Installed Cost for ALL assets in your business. Assets in each schedule must be grouped by year of acquisition.

The figure you enter as "original cost" must include the total original installed cost of your equipment, before any allowance for depreciation. Include freight-in, handling, sales tax and installation costs. If a trade-in was deducted from the invoice price, enter the total cost before trade in.

Add back investment credits taken for federal income tax purposes if those were deducted from the original cost. **INCLUDE ALL FULLY DEPRECIATED OR EXPENSED ASSETS AT ORIGINAL COST, WHETHER WRITTEN OFF OR NOT.**

If you own equipment that is out on a loan, rental, or lease basis to others, report it on schedule #2.

List each item of tangible personal property separately in the appropriate schedule except for "classes" of personal property. A class is defined as items which are SUBSTANTIALLY similar in function, use and age. Do not use the terms "VARIOUS," "NA," "NOT APPLICABLE" or "SAME AS LAST YEAR." This is inadequate reporting and may subject you to penalties for FAILURE TO FILE.

List all items of furniture and fixtures, machinery and equipment, and supplies. All expensed items must be entered at original cost.

For each item, report your estimate of the current fair market value of the property and your estimate of the condition, including functional and economic depreciation or obsolescence.

Farm, Grove, and Dairy Equipment:

List all types of agricultural equipment you owned as of January 1. Describe property by type, manufacturer, model number, and year acquired. The following is a partial list of the types of equipment which are to be reported: bulldozers, draglines, mowers, balers, tractors, all types of dairy equipment, pumps, hand and power sprayers, heaters, discs, fertilizer distributors, etc...

Hotel, Motel and Apartment Buildings:

List all furniture, appliances and equipment used in Hotels, Motels, and Apartment Buildings.

Leasehold Improvements - i.e. Physical Modifications to Leased Property:

If you have made any improvements (including modifications and additions) to property that you lease, list the original cost and year of acquisition of the improvements. Leasehold improvements may include Walk-in coolers, Vaults, Safes, Tanks, Shelving, Cabinets, Removable walls, Partitions, etc... **IMPORTANT: ATTACH ITEMIZED LIST OR DEPRECIATION SCHEDULE SHOWING INVENTORY OF INDIVIDUAL IMPROVEMENTS.**

Supplies:

Enter the average cost of supplies on hand. Supplies are stocks of goods intended to be consumed during the production process but are not part of the raw materials inventory that is processed into the finished product. Examples of supplies include chemicals, clothing, pallets, paper, shipping materials, fuels, and repair parts. Unlike inventory, supplies are not held for resale.

Leased, Loaned, and Rented Equipment:

If you borrow, rent or lease equipment from others complete schedule #1 by entering the name and address of the owner or lessor and a description of the equipment, year you acquired it, year of manufacture (if known), the rent per month, and the amount it would have originally cost had you purchased the equipment new.
