

2019 TANGIBLE PERSONAL PROPERTY TAX RETURN GENERAL INSTRUCTIONS

Complete this Personal Property Tax return in accordance with the instructions provided herein as your declaration of personal property located in Manatee County. **If any schedule has insufficient space, attach a separate sheet.** Please print or type, except for signature.

Each return is eligible for an exemption up to \$25,000. By filing a DR-405 timely, you automatically apply for the exemption. **If you do not file on time, Florida Law provides for the loss of the \$25,000 exemption.**

If requested, the Property Appraiser will grant a filing extension for 30 days. **Your request for extension must be received in our office PRIOR to the April 1st filing deadline.** Additional information regarding extension requests may be found on our website at www.manateepao.com.

WHAT TO REPORT ON THIS RETURN:

- 1) Tangible Personal Property.** Include all goods, chattels, and other articles of value (but not certain vehicles) capable of manual possession and whose chief value is intrinsic to the article itself. Tangible Personal Property is everything other than real estate that has value by itself. **Examples:** furniture, fixtures, equipment, signs, leasehold improvements, supplies, leased equipment and any other equipment used in a business or to earn income.
- 2) Equipment or Inventory held for lease.** **Examples:** equipment, furniture, or fixtures after their first lease or rental.
- 3) Equipment on some vehicles.** **Examples:** power cranes, air compressors, and other equipment used primarily as a tool rather than a hauling vehicle.
- 4) Property personally owned,** but used in the business.
- 5) Fully depreciated items,** whether written off or not, must be reported at original installed cost.

DO NOT INCLUDE:

- 1) Intangible Personal Property.** **Examples:** money, all evidence of ownership in a corporation, etc.
- 2) Household Goods.** Examples: wearing apparel, appliances, furniture, and other items ordinarily found in the home and used for the comfort of the owner and his family and NOT used for commercial purposes, such as rental property.
- 3) Most automobiles, trucks, and other licensed vehicles.** See 3 above.
- 4) Inventory that is for sale as part of your business.** Items commonly referred to as goods, wares, and merchandise that are held for sale.

LOCATION OF PERSONAL PROPERTY:

Report all property located in this county on January 1st. You must file a single return for each site in the county where you transact business. If you have freestanding property at multiple sites other than where you transact business, file a separate, but single, return for all such property located in the county detailing the physical location for each piece of equipment.

Examples of freestanding property at multiple sites include vending and amusement machines, LP/propane tanks, utility, telecom and cable company property, billboards, leased equipment, and similar property not customarily located in the offices, stores, or plants of the owner, but is placed throughout the county.

SPECIFIC FORM INSTRUCTIONS

Schedule #1 – Leased, Loaned or Rented Equipment:

If you borrow, rent or lease equipment from others, complete this section.

Schedule #2 – Owned by You but Rented to Others:

If you own equipment that is borrowed, rented, leased, or held by others, complete this section.

Schedule #3 – Current Asset Confirmation:

If you filed a personal property tax return last year, Schedule #3 will reflect the assets within in our records. Please see reverse side of this form for specific instructions for review and updates to Schedule #3.

Schedule #3: - Asset Additions:

If you have added an asset, enter the **Description** of the Asset, **Year Purchased**, and **Number of Units** in the appropriate column.

Report 100% of the total original cost of the asset in the column labeled **"Per Unit Total Original Installed Cost."** Enter only unadjusted figures in **"Per Unit Total Original Cost"** columns. The original cost must include the total original installed cost of your equipment, before any allowance for depreciation. Include sales tax, freight-in, handling, and installation costs. If you deducted a trade-in from the invoice price, enter the total gross invoice price of the new asset. Add back investment credits taken for federal income tax if you deducted those from the original cost. Include all fully depreciated or expensed items at original cost, whether written off or not.

List each item of tangible personal property separately in the appropriate schedule except for "classes" of personal property. A class is defined as items which are **SUBSTANTIALLY SIMILAR IN FUNCTION, USE AND AGE.** Do not use "various" or same as last year" in any of the columns. These are not adequate responses and may subject you to penalties for failure to file.

For each asset, report the **Taxpayer's Estimate of Condition** (Good, Average, Poor), and the **Taxpayer's Estimate of Fair Market Value.** Florida Law requires your estimate of the current fair market value of the property as of January 1st.

Farm, Grove, and Dairy Equipment:

List all types of agricultural equipment you owned on January 1st. Describe property by type, manufacturer, model number, and year acquired. Examples: bulldozers, draglines, mowers, balers, tractors, all types of dairy equipment, pumps, hand and power sprayers, heaters, discs, fertilizer distributions. If you have Agricultural classification on your property, you **MUST** file a yearly tangible return, reporting any equipment you may own.

Hotel, Motel, Apartment & Rental Units (Household Goods):

List all furniture, appliances and equipment used in Hotels, Motels, and Apartment Buildings.

Leasehold Improvements, Physical Modifications to Leased Property:

If you have made any improvements (including modifications and additions) to property that you lease, list the original cost of the improvements. Improvements must be grouped by type and year of installation. Examples: shelving, built in cabinets, etc.

Supplies:

Enter the average cost of supplies that are on hand. Include expensed supplies, such as stationery and janitorial supplies, linens, and silverware, which you may not have recorded separately on your books. Include items you carry in your inventory account but **do not** meet the definition of "inventory" subject to exemption.

Renewable Energy Source Devices:

List all renewable energy source devices as defined in section 193.624, F.S. Section 196.182, F.S., provides an exemption to renewable energy source devices considered tangible personal property. The exemption is granted based on the percentage of value, when the devices are installed, and what type of property the devices are installed on.

PENALTIES :

Failure to file – 25% of the total tax levied against the property for each year that no return is filed

Filing late - 5% of the total tax levied against the property covered by that return for each year, each month, and part of a month, that a return is late, but not more than 25% of the total tax.
